**FOR IMMEDIATE RELEASE**

## **Hedberg To Consolidate Plymouth Warehouses**

MINNEAPOLIS, MN (March 4, 2011) — Hedberg Aggregates Inc., dba Hedberg Landscape & Masonry Supplies, today announced that it is moving its Plymouth masonry city desk and warehouse to its landscape operations campus at 1135 Nathan Lane North, Plymouth MN 55441. Hedberg's Masonry Selection Center, with its floor to ceiling stone displays, will remain open at 975 Nathan Lane North.

“Due to the continued contraction of the new home construction market we have decided to combine our Plymouth yards to increase operational efficiencies and improve customer service,” said Steve Hedberg, founder and president of Hedberg Landscape & Masonry Supplies. “Plymouth is the only location we have a split campus. We see bringing the city desk and operations for all our product lines together in Plymouth as a positive thing for our customers and staff.”

The combined city desk will open at 1135 Nathan Lane North on April 4, 2011. Until then, masonry customers may continue to pick up products at the 975 Nathan Lane location. The Hedberg Masonry Selection Center in Plymouth will retain its current phone number, 763-225-0540. Starting April 4<sup>th</sup>, customers should call the combined Plymouth city desk at 763-512-2849 to order product or arrange for a delivery or pick up.

Founded in 1987, Hedberg is Minnesota's largest wholesale and retail supplier of landscape hardgoods and masonry products. The company offers natural stone, manufactured stone, brick, water garden supplies and custom stone fabrication. The company has showrooms and stocking locations in Plymouth, Farmington and Stillwater. Hedberg Nursery, located at the Stillwater branch, features specialty perennials, native plants, raingarden materials, trees and other eco-friendly supplies. For more information, call (763) 392-5920 or visit [www.hedbergrocks.com](http://www.hedbergrocks.com).
